Station Bellary., *Dated the* 2nd October, 1941.

From (Name) Sri. P.Loki Reddy.

(Designation) Vice-President, Incharge, District Board, Bellary.

To The Secretary to the Government of Madras,

Development -- Department.
Fort Saint George, Madras.

Sir,

A grant of Rs. ~~18698~~ 18595 was sanctioned from the Government of India grant in 1935-36 in G.O.No. 2583 P.H., dated 3-10-1935 for the construction of 18 wells in this District. 17 wells were completed with the exception of one at Sogi(popularly known as Bettadamallappagudda well) after the name of the hill ~~xxxxx~~ shrine at the foot of which the well is located).

2. An estimate for Rs.800 was sanctioned by the District Board for the construction of a jubilee draw well at Bettadamallappagudda. All the formalities as required in para 3 of G.O.No.2583 P.H., dated 3-10-1935 were gone through. The tender for this work was accepted

P.T.O

was accepted in this office Ref. 156/35 dated 22-11-1935. The well in question was excavated to a depth of 83 feet and no water was tapped. The estimate provided for only 50 feet for excavation. An expenditure of Rs.638-14-0 was incurred on this work. The successive District Board Engineers have suggested the abandonement of the work in question without committing the Board to any additional financial liability as they consider that there is no certainty of tapping water at a further depth. This subject was placed before the District Board at its last meeting held on 25-9-1941 to consider the question. It has been decided to abandone the well work with the sanction of Government. I therefore request that the Government may be pleased to approve the proposal of the Board and to direct that the audit objection in respect of the expenditure of Rs.638-14-0 already incurred on this well work may be dropped in the circumstances stated above.

3. A copy of the Audit objection and the resolution on the subject is enclosed.

Vice-President, Incharge,
District Board, Bellary.

WELLS - WORK AT BATTADAMALLAPPAGUDDAM- PROPOSAL FOR ABANDONMENT.

---

34. A full grant of Rs.638/14/- was drawn for the work of constructing a well at Bettadamallappaguddam with reference to Government Memorandum No.19944-II/38-2 dated 7th September 1938 of the Development-Department. But the work was not completed before the 31st March 1939 as directed in the above Memorandum and it was proposed to abandon the work. As the expenditure incurred on the work constitutes an item of loss due to unprofitable outlay it cannot be admitted in audit unless the sanction of Government is obtained to write off the loss.
